RETURN TO CIA  
URGENT

1. On 1 August security precautions at Nanning Airfield were increased, and the district surrounding the field was declared a prohibited area.
2. On 12 August CHOU Wen-ch'i (周文祺), Director of Nanning Airfield, returned by plane to Nanning from a visit to Peiping.
3. On 17 August four searchlights were installed on the high ground on the northwest side of the field. On the airfield were two MIG jet planes, three single-engine Japanese reconnaissance planes, two twin-engine transport planes, and three large four-engine planes similar to the four-engine planes of the former CATC.
